The World Refugee Day Organizing committee invites you to join us in City Hall for our 2019 UNHCR World Refugee Day. Together, we will remember the plight of the refugee in our world, what we as a community in Edmonton have done to welcome refugees, and what the future holds for our stepping up as individuals and as a community!

We will feature:

- Refugee stories
- Canada's 40 years with the Private Sponsorship Stream
- Our recent experience in welcoming the Syrian influx.
